*Today we're going to take a look at "New Fabric Release Santana"*

Hi I'm Jason from the company Blockout Blinds and today I'm here to talk to you about our new fabric Santana. Santana is our new top of the range exclusively designer fabric that we've released.

Santana's available in 11 amazing colors and is Jacquard woven using Italian yarns. The texture of the fabric allows subtle beauty and full block out during the day and stunning glistening tones at night. Santana is elegant and sophisticated and a must for all fabric collections.

So if you like designer quality and top of the range fabrics, Santana is the one for you. Thanks for watching my video today. I look forward to speaking with you next time.

We hope you've enjoyed this news and tips update from Blockout Blinds, we'd love for you to leave a comment about "New Fabric Release Santana".
